

Midwest LGBTQ Health Symposium

Friday, September 14 and Saturday, September 15, 2018

JW Marriott Chicago | 151 W Adams St.

Moving Towards Health Equity. Strengthening Our Community of Care.

The 2018 Midwest LGBTQ Health Symposium (MLHS) will explore this year's theme "Moving Towards Health Equity. Strengthening our Community of Care." The two-day gathering of healthcare professionals, social service providers, advocates, and researchers will highlight innovative best practices in LGBTQ patient-centered clinical care as well as community-driven approaches to addressing health disparities. Join us as we explore these critical topics and others - HIV elimination, racial equity in LGBTQ care, addressing violence and reproductive justice, as providers and advocates striving for meaningful change.

About the Conference

MLHS examines factors that contribute to health inequities within LGBTQ communities and strategies for addressing health disparities. MLHS is designed to facilitate interdisciplinary discussions that advance patient-centered programs and policies that uplift LGBTQ people and address health equity.

Attendees can expect to leave with the following competencies in LGBTQ healthcare:

- Best practices for working with LGBTQ patients in clinical settings
- Evidence-based strategies to reduce health disparities within communities, focusing on the intersections of LGBTQ identity and race, ethnicity, age, and socioeconomic factors
- Organizational policies and strategies that facilitate LGBTQ health equity
- Understanding of key LGBTQ health advocacy issues and how healthcare professionals can influence LGBTQ health policy

Rush Inter Professional Continuing Education (IPCE) office designates this live activity for a maximum of 10 credits. Complete information at howardbrown.org/mlhs2018.
